## DANCE THEATRE

---

## Mission

South Dayton Dance Theatre is a non-profit organization committed to inspiring young, pre-professional dancers to achieve their full potential through comprehensive dance training with an emphasis on ballet and modern technique. SDDT is dedicated to creating dance productions of the highest artistic standard, as well as enriching our local community through quality dance instruction and performances.

## About Us

Established in 1985, South Dayton Dance Theater is a pre-professional company dedicated to giving young dancers an opportunity to work with first-class teachers and award winning choreographers. In 1993, SDDT became a 501 (c) 3 nonprofit organization. SDDT gives their members a glimpse of life as a professional dancer. The dancers are chosen through an audition process and they range in age from eleven to eighteen. They must dedicate themselves to taking ballet classes and modern classes, not to mention a vigorous rehearsal schedule. Throughout the year, the dancers get opportunities to perform throughout the Miami Valley, including a Spring Concert and, everyone's holiday favorite, The Nutcracker. Please support us in creating the next generation of dancers, teachers, choreographers, artistic directors and dance enthusiasts.

## Regional Dance America (RDA)

South Dayton Dance Theatre is the only local dance company that is a member of RDA. Companies must be evaluated and accepted into this prestigious organization. Annually, a dance festival is held within each region. At these festivals, company dancers as well as their faculty are re-evaluated to ensure the highest quality of training. Some of the best teachers from around the world come to instruct the dancers and then the companies get a chance to perform for one another. South Dayton Dance Theater has been given Honor status within RDA, a very prestigious title bestowed on only a few elite companies within the organization.

The impact of RDA is far-reaching:

- \*85 companies
- \*Over 3,000 dancers from across the nation
- \*Over 1.5 million people in 481 counties attend RDA member performances.
