Why do this event? South Dayton Dance Theatre's objective is to train first class dancers in a fun and healthy atmosphere and to give them a taste of what being a professional dancer is all about. This event is to help us raise funds to send these young dancers to Quebec in April to perform at an international dance festival. They will have the opportunity to further their dance education by taking classes with some of the best teachers in the world and will be scouted for professional companies and colleges from all around the United States and beyond. Please help us to create the next generation of dancers, choreographers, teachers and dance enthusiasts.
